

AAR Travellers' Pack

Thank you to those AAR members who responded to our Travellers' Pack proposal that was advertised in the July and October issues of the Horse's Mouth. To date there are insufficient numbers to prepare a pack. We are beginning with a list of volunteer members in this newsletter that we hope *will inspire many more members* to participate.

As we were rather busy after the Mt Gambier Rally we may have missed some members who verbally indicated their willingness to participate. If we have missed you please contact us by phone or email and we will promptly add your details. Remember to indicate social visit and/or emergency assistance. Thank you.

The members listed below (listed by State and then locality) are willing to accept a **social visit** and/or to **help with emergency assistance**.

VICTORIA

South Gippsland – i.e. Sale, Taralagon, Leongatha, Foster, Morwell
