PERIOD CATEGORIES: Categories A, B, C, D, E, F, G, H & I are period categories, and to be eligible for entry in period categories bikes should have all major components correct for the period. Major components are considered to be frame, forks, mudguards, tanks, speedo, headlight, wheels & brakes, taillight, chain guard, engine (crankcase, barrel(s), head and carburettor). Accessories should be of the period (exceptions are made for safety features such as indicators and mirrors). Bikes that do not confirm to these conditions should be entered in J. Non-period category.

NON-PERIOD CATEGORY: Category J. generally does not adhere to the construction as built by the Ariel Factory. This category includes hybrids.
