

## 1956 AJS M20S 500cc twin - \$7,500

Frame no: A41819 Engine no: 56/2029003

This bike is complete and has been restored to original condition using only genuine parts from MODAK. Engine and gearbox have been fully rebuilt. Also refurbished are the magneto, generator, speedo, clutch, hubs, and jampots. The only exception is the Lucas voltage regulator which has been replaced with an AO Services VReg 2a dynamo regulator. New tyres and SS mufflers by Overlander are fitted. Chromed parts refurbished. Frame, tank, & guards powder coated black with gold pin striping. Engine starts first kick and runs extremely well. Has run for 1220 miles since restoration.

Currently on club plates and is located in Sale, Victoria. Buyer to collect or arrange own transport.

Original papers, manuals, and restoration details included. Box of useful spare parts included. Price is firm and covers only purchase cost plus cost of new refurbishment spare parts.
