**Strictly for 'Black Ariels' (Ariels made between 1926 and 1930)**

Following the success of our first 'BLACK ARIEL WEEKEND' held at Grafton in August 2013, we have finally begun the organisation for the next one.

This will be held on the northern tablelands of NSW at URALLA. Situated on the New England Highway, URALLA is 16 klm south of Armidale and approximately half way between SYDNEY and BRISBANE.

### **VENUE.**

COUNTRY ROAD CARAVAN PARK

170 Bridge St. Uralla. PH. 0267784563

The park has Cabins, Caravan sites, as well as camping sites. Alternate accommodation can also be found at Hotels and Motels for those who prefer this sort of accommodation.

If you are coming, please arrange your own accommodation.

We will have a short run on Friday afternoon, a long run [≈100k] on Saturday, and also a 100k run on Sunday for those who choose to stay all weekend. This will be a self-catered weekend (no entry fees, no prizes, no trophies, just turn up and have a good time).
