Members wishing to post news on the SA page should contact the SA State Representative, Michael Browne, on (08) 82611472.

S.A. AAR members have been running a monthly ride for the past several months. This one in December had the best turn out yet with 8 riders.

It was decided early on to hold the rides on the first Sunday of the month. Normally, as with this one, we head out of Adelaide through the Hills for an hour or so for a coffee break and a natter before returning home in time to cook the family BBQ lunches.

**Roll Call:**

Alan Lovell	1957 KH
John Byles	1954 NH
Jess Mallia	1954 4G
Michael Browne	1939 VG
Dave Holbrook	1958 HS3
Russell Sadoroshny	Matchless
Adrian Browne	Susi Chooky (VH in I.C.U.)
Brenton Roy	1927 Model C

Unfortunately Jess not in the photos as he was the photographer.

Brenton took delivery of the Model C only a few days previously from Holland, so it was his first lengthy ride with hand gear change and lever throttle to contend with, so we took a fairly flat straight route, to give him a chance -if you can call the Gorge road easy going.
