

1946 TIGER T83 (350 cc TWIN - \$20,000 ono

Developed in 1939 but production held over until after WWII and wasn't released until 1946 and sold into 1947 when its limited production ceased in favour of the lower compression 3T that didn't require high octane fuel. Bike is good running order and located in Mildura. This is a very rare bike, particularly in Australia, that has only been ridden a short distance since being restored. Engine No: 46.T.85. 73581; Frame No: TC 8083. This bike is from a private collection and has not previously been offered for sale in Australia. Serious buyers wanting more information/negotiation should contact Doug on (03) 5023 5286.
