

OVERSEAS A.A.R. MEMBERS' BIKES

Canadian Members' Bikes

First of the pictures below is Pat McElroy, an A.A.R. member from Canada with his 'Iron Horse' 1953 MKII 4G and trophies won at the Cumberland BC 1st Annual Motorcycle Roundup held in August 2009. The Square Four was entered in the open category of show & shine with about 100 various makes and models. It picked up three awards overall, 'Best in Show', 'Peoples Choice' and the first place 'Blue Ribbon'. The other picture below is David Cronin, also from Canada, riding his Enduro on a mild winter's day – love those cold weather gloves.

Below: David Cronin with his 1958 Ariel FH and its BSA donor cousin.
