

AUSTRALIAN ARIEL REGISTER – EVENT PERMIT SYSTEM

Motorcycling events held under the banner of the A.A.R. require a permit from Motorcycling Australia (MA) for the event to be covered by Public & Property Liability and Personal Accident Insurance. In the past, a separate permit was required for each event being held for which a daily fee applied for each event. The AAR's current affiliation with MA allows the Club to hold all its events under the one permit, which is raised and paid for by the committee when renewing annual affiliation. The permit is primarily for the annual national rally, but with approval from the Committee, individual (e.g. State or local) may be held under the one permit. All events must be held under the event guidelines issued by MA. Any members wishing to host a local event are to contact the Secretary for details on how to obtain PLI cover for the event.

NOTE: THE ABOVE CONDITIONS APPLY TO ALL EVENTS SANCTIONED BY THE A.A.R. COMMITTEE, INCLUDING THE ANNUAL RALLY. ANY EVENT CONDUCTED WITHOUT THE ENDORSEMENT OF THE A.A.R. COMMITTEE, OR DOES NOT COMPLY WITH MA'S APPROVED PERMIT, IS NOT COVERED BY PUBLIC & PROPERTY LIABILITY.
